Step up to Gallagher's Canyon,  
an elevated golf experience.

An adventure in contrasts, the manicured fairways and stately pines beautifully juxtapose themselves against the rugged, rocky charms of the Canyon.

The Canyon Bar & Grill -  
Restaurant + Patio - offers  
panoramic golf course views and  
an amazing culinary experience.  
Everyone Welcome!

Framed by forested mountains and rocky bluffs  
beneath clear blue skies, Gallagher's Canyon offers  
the quintessential Okanagan golf experience:  
rugged yet refined.

Miles of orchards and vineyards punctuate the surrounding hills that rise from nearby Lake Okanagan. Gallagher's unrivaled golf facility encompasses the championship Canyon Course as well as the distinctively charming nine-hole Pinnacle Course, which will challenge masters and apprentices alike.

After golf, visualize your approach to our well-appointed clubhouse, where our chef tees up a memorable dining experience using the famously fresh local fruits and vegetables of the Okanagan Valley. Or head over to the Golf Academy at Gallagher's Canyon, where dedicated PGA of Canada instructors offer their own menu of ways to improve your game.

Designed by the talented architectural team of Bill Robinson and Les Furber, The Canyon Course offers 6,802 yards that play past cheering throngs of Ponderosa pines and route in and around a steep canyon. The ninth tee presents one of the best views of the day: of a stream winding through the canyon bottom way below.

And you may need some luck, as three par fives cluster around the turn between holes nine and twelve. From the back tees they all stretch

to more than 500 yards. Gallagher's closing holes present vertical poplar and pine tree hazards to challenge the route to the final greens. Liquid rewards await on the scenic patio.

### The Pinnacle Course at Gallagher's Canyon

Built to the same standards as the Canyon course, the 9-hole Pinnacle - a par-32 design that stretches to 1,984 yards - offers a layout that will prove to be more welcoming to less experienced players, yet

challenge avid golfers alike. It also constitutes an ideal practice course and provides the perfect venue for settling matches not decided on the Canyon Course.
